**Race Course Safety and Regulations:**

- Please be considerate of your surroundings.
- Emergency vehicles have the right-of-way at all times. The police and traffic control volunteers have **YOUR** safety in mind, and deserve to be treated respectfully by runners and spectators alike.
- While some of the roads on the route will be closed for the entire race, most of the back roads will NOT be closed. These roads tend to be fairly quiet, but we know there will inevitably be some cars out on Sunday morning. **Please stay to the right when running.**
- Be respectful of resident's property. Use the port-a-potties rather than private yards.
- Runners who have finished the race need to avoid interfering with runners approaching the finish line.
- **Please be kind and have fun!** Any disrespectful behavior to volunteers or race officials may lead to your disqualification or ban you from future High Five Races events.
